

Trunch Village Hall Management Committee (the Committee) acknowledges that the United Kingdom is diverse in culture, race beliefs and religion and believes that no individual or group of people should receive less favourable treatment on the grounds of gender, age, colour, race, nationality, racial or national origins, cultural heritage, disability, marital status, social background, sexual orientation or geographical location. The Committee acknowledges that members of these groups are often under-represented, exposed to prejudice and stereotyping, and suffer various disadvantages within our society.

The purpose of this statement is to set out clearly and fully the positive action that the Committee intends to take to combat direct and indirect discrimination in employment policy, management of the organisation, relationships with other bodies, and the services it provides to the community, community organisations and individuals.

The Committee is committed to providing equality of opportunity in all areas of its work. It aims to overcome discrimination on the grounds mentioned above.

Aims of the Committee

Our aim is to ensure that we become aware of discrimination and the problems it causes.

The Committee will challenge practices, legislation and institutions which seek to discriminate against or deny the rights of individuals or groups in any form.

The Committee will seek to take positive action to address the inequalities in our society.

The Committee is committed to the Equal Opportunities Policy set out in this document and will work to develop, improve and monitor it.

Equal Opportunities Policy

The Committee acknowledges the definitions of various groups of people who are vulnerable to discrimination as set out in the Equality Act of 2010. The Committee will support and implement the legislation and will work to ensure that no person protected by the legislation is discriminated against unlawfully and that any positive obligations and duties are performed.

The Committee will:

- where reasonably practical, widen accessibility by removing barriers which make it difficult for people with disabilities to use the hall and provide facilities for people with disabilities to enable them to participate in activities
- ensure that the design of publicity and information takes account of the needs of people with disabilities
- deal with any complaints of discrimination promptly, impartially, thoroughly and confidentially
- ensure staff, volunteers, hirers and committee members are aware of the hall's policy on equality
- ensure that the Equal Opportunities Policy is monitored and reviewed annually
- challenge racism in any form and encourage its users to do the same
- challenge sexist policies, practices and attitudes and encourage users to do the same
- challenge age discrimination in policies, procedures and attitudes
- endorse the right of each individual to his or her own religious beliefs or the absence of a belief
- encourage people from under-represented groups to attend and participate in the activities of the hall

Code of Conduct

1. People will be treated with dignity and respect regardless of the group to which they belong.
